

Beautiful Staffies and their Ladies 2007 Calendar

The ladies of the Staffordshire Bull Terrier Club of Canada have given it their all and then some for a calendar supporting their beloved dogs. This 2007 **"Beautiful Staffies and Their Ladies"** calendar will be released September 9, 2006 at the Save The Children Dog Show at the Richmond Agricultural Fair Grounds in Richmond Ontario. All proceeds from the sale of the calendars will go towards the legal challenge to Ontario's Dog Owner Liability Act.

The calendar and order form will also be available for sale through the club's website www.staffordcanada.com. Keep watching for more details!

The November pin-up is none other than Mrs. Squibs Mercier, 80 plus years young. Squibs is a founding member and honorary lifetime Vice-President of the Staffordshire Bull Terrier Club of Canada. She is well known throughout the dog community in Canada, and throughout the Stafford community worldwide! Like the dogs she loves, Squibs has the qualities of a Staffie. She's honest, loyal, smart and brave, and brave enough to bare all to support the dogs who have given her so much over the years. Her picture alone is worth the price of the calendar, which is \$20 Canadian plus shipping.

This is a must have for all dog fanciers and Stafford lovers!
